WORKSHOP SELECTION INSTRUCTIONS

HOW TO MAKE YOUR SELECTIONS

Please read carefully before ticking any box on Page 3.

1 **Workshops and Masterclasses** will be conducted in a video-based format.

2. **Understand the block structure.** Each conference day is divided into half-day blocks (Morning and/or Afternoon). Within every half-day, you have two ways to participate:

   Option A - Two Workshops: Attend one Workshop in the first sub-block (e.g. 1A) AND one Workshop in the second sub-block (e.g. 1B). Workshops are 2 hours each.
   Option B - One Masterclass: Attend a single Masterclass that runs across the entire half-day. This option replaces both Workshop sub-blocks for that half-day.

3. **Tick ONE box per sub-block, OR ONE box in the Full-Block panel - never both.** If you select a Masterclass (MC) in the Full-Block panel, leave the two Workshop (WS) sub-blocks beside it completely blank. Selecting a Full-Block option AND a Workshop (WS) in the same half-day will invalidate that half-day's selection.

4. **You may mix and match across days.** For example, you can choose two Workshops on Day 1 morning, a Masterclass on Day 1 afternoon. as long as the rule above is followed within each half-day.

5. **Selections are subject to availability.** Workshops and Masterclasses sessions have limited capacity and will be allotted on a first-come, first-served basis. We recommend noting a second preference in the margin beside your primary choice wherever possible.

6. **You may leave any block unselected** if you wish to attend the main scientific programme instead during that time.

7. **Once submitted, selections cannot be changed at the venue** unless approved by the registration desk and subject to availability.

8. **The final session schedule, hall allocations, and faculty list will be shared closer to the conference dates.** printed on this form are based on the current Program plan and may be subject to minor changes.

QUICK VISUAL GUIDE

Half-Day = **1 Workshop + 1 Workshop** OR **1 Masterclass (Full Block)**

Two Workshops in the same half-day —*allowed*

One Masterclass for the full half-day — *allowed*

One Workshop + one Masterclass in the same half-day —*not allowed*
